

Shruti Ganesan

GRAPHIC DESIGNER

WORK EXPERIENCE

Mid-Senior Digital Designer

Toaster, San Francisco, CA / May 2019–Present 2020

- Art directed and designed creative collateral for YouTube, including videos, websites, mobile UI/UX, GIFS, presentations, and visual systems
- Lead client projects with a solution oriented mindset and presented the work to the clients
- Improved efficiency of the creative process through the use of requirement checklists which streamlined communication with the clients
- Planned team bonding activities like exercising at work and painting murals in the city
- Encouraged all creatives to attend design events and share their learnings
- Convinced Toaster to participate in San Francisco Design Week 2020 to help the company gain new clients and grow in the design industry

Senior Visual Designer

Cancel Corona, Remote / April–May 2020

- Lead visual design for a team of volunteers from all over the world to help with Cancel Corona's marketing efforts to combat COVID-19
- Created social assets, landing pages, and presentations for outreach and product development
- Created the #3for3 campaign which was well received by the NBA with the potential of going live

Designer

Toaster, San Francisco, CA / May 2018–May 2019

Designed creative assets for YouTube's core marketing, including branding, social media, 1-pagers, icons, and presentations

Freelance UI/UX Designer

Aqui Technologies LLC, San Francisco, CA / March–April 2018

Lead the UI/UX process for an Augmented Reality start-up app, which involved building wireframes, prototyping, and creating initial visual designs
